ABSTRACT

Legal awareness is a fundamental aspect of an equitable and just society, enabling individuals to safeguard their rights and fulfill their legal responsibilities. *Know Your Legal Rights* is an initiative aimed at educating individuals about essential legal principles in areas such as constitutional rights, consumer protection, workplace regulations, cyber laws, property rights, contract law, family law, and criminal justice. Many people lack access to accurate legal information, leading to exploitation, injustice, and an inability to seek appropriate legal remedies.

This initiative seeks to simplify complex legal concepts and present them in an accessible manner through real-world examples, case studies, and practical guidelines. It provides insights into common legal issues such as unfair employment practices, online fraud, contract disputes, tenant rights, and criminal offenses, empowering individuals to take informed actions. Additionally, it highlights legal avenues available for dispute resolution, including mediation, arbitration, and litigation, ensuring individuals know when and how to seek legal assistance.

By fostering legal literacy, *Know Your Legal Rights* promotes an informed and proactive society where individuals confidently assert their rights, recognize legal violations, and contribute to a more just and transparent legal system. Understanding legal rights not only helps individuals protect themselves but also strengthens democratic principles, social justice, and accountability within communities.

ACKNOWLEDGEMENT

First of all, we indebted to the **GOD ALMIGHTY** for giving me an opportunity to excel in our efforts to complete this project on time.

We express our sincere thanks to our respected dean **Dr. Md. Sameeruddin Khan**, Pro-VC, School of Engineering and Dean, School of Computer Science Engineering & Information Science, Presidency University for getting us permission to undergo the project.

We express our heartfelt gratitude to our beloved Associate Dean **Dr. Mydhili K Nair**, School of Computer Science Engineering & Information Science, Presidency University, and **Dr. Gopal Krishna Shyam**, Professor and Head of the Department, School of Computer Science Engineering & Information Science, Presidency University, for rendering timely help in completing this project successfully.

We are greatly indebted to our guide **Dr. Sudha P, Associate Professor** and Reviewer **Ms. Impa B H, Assistant Professor**, School of Computer Science Engineering & Information Science, Presidency University for her inspirational guidance, and valuable suggestions and for providing us a chance to express our technical capabilities in every respect for the completion of the project work.

We would like to convey our gratitude and heartfelt thanks to the CSE7301 Capstone Project Coordinators **Dr. Sampath A K and Mr. Md Zia Ur Rahman**, department Project Coordinator **Dr. Sudha P** and Git hub coordinator **Mr. D Muthuraj.**

We thank our family and friends for the strong support and inspiration they have provided us in bringing out this project.
